Hello Megan,

Can you please prepare a DVD with the EIR and all appendices to mail to Mr. Skains.

Mr. Skains,

Please provide Megan with your mailing address. The County will be in attendance at the Boulevard Planning Group meeting at the Fire Station this evening. They will be giving an overview of the projects and the EIR.

Good morning Mr brown,

Thank you if you could burn a DVD for me so that I could set down on my computer and review the EIR. I was told that it is a very large document.

I worked with First solar for two years and they had no problems providing any and all Documents.

Do you have someone that could come out and show me the project?

Thank you again

Hello Mr. Skains,

Soitec is willing to provide a copy to you, but I request you reconsider due to the cost of printing said document. It is rather large and would cost well

over \$500 to reproduce. A paper copy is on file at the Campo Library and with the Planning Department in town. Please let me know.

All,

This email is also being sent to 37 additional email addresses on blind carbon copy just in case any of those recipients do not want their email addresses made available.

Attached is the public notice for public review of the Draft Program EIR for the Soitec Solar Development project located in Boulevard, CA. Public review begins today and runs through Monday February 17, 2014. Links to the public review webpage and administrative record webpage are active. Many of you will also receive a hard copy of the public notice in the mail.

Please let me know if you have any questions.

Thank you,

Robert Hingtgen, Planner III
